Larry Dulli

Larry Dulli was a great umpire. He umpired for 20 years from 1976 to 1996. Larry not only umpired, he also played outfield and pitched during that 20-year span for the Hitless Wonders, Right Spot Café and Barney's Bar. While playing with Barney's Bar, they finished 2nd in the State Tournament. Larry's consistent approach to the game and his commitment to umpiring gained him statewide respect and he was selected to umpire in many State Tournaments. He umpired several Girls State Tournaments at Thompson Park and North End Ballparks.
